

Pro Shoe Covers by the Pair

Price: \$16.75

Short Description

Pro Shoe Covers are constructed with a premium nylon material. This same material is used to manufacture such items as luggage, tarps, and backpacks. The fabric is strong and permanently sealed with a finish that offers a moisture barrier so you do not leave wet or dirty tracks. The sole is made from a rugged, waterproof, non-slip material. They look professional and your clients will be impressed when you slip them on prior to entering their homes.

Description
